

Collingwood Area School

PARENT CONSENT FOR EOTC ACTIVITIES

To be completed upon enrolment and/or annually at the start of the school year.

Education outside the classroom (EOTC) is the name given to all events and activities that occur outside the classroom, both on the school grounds and off-site.

Our students participate in a wide range of learning opportunities within and outside the school grounds. Students, especially senior students, may participate in a wide range of sporting events outside the school throughout the year. All class teachers are encouraged to provide extension and enrichment opportunities for their students. These learning opportunities sometimes require travel outside the school, and may extend outside school hours.

Our school uses a process, which is monitored by the principal and board of trustees, to identify and manage risk for all activity types. The Ministry of Education EOTC Guidelines identify four activity types, each with recommended parent/caregiver consent (as outlined below).

Event Type	Description	Type of consent required (Ministry Guidelines)
A	On-site – in the school grounds	
	<p>Lower risk – e.g. sports day, horticulture, adventure-based learning (ABL) activities, painting murals, measuring for mathematics</p> <p>Higher risk – e.g. school pool or climbing wall</p>	<p>No consent required</p> <p>Blanket consent</p>
B	Off-site – short visits in the local community within school hours	
	<p>Lower risk – e.g. museum, art gallery, botanic gardens, sports and recreation events</p> <p>Higher risk – e.g. aquatic environments (river, beach), cross-country training</p>	<p>Blanket consent & activity notification</p> <p>Blanket consent & activity notification</p>
C	Off-site – day trips, which extend out of school hours	
	<p>Lower risk – e.g. farm visit; day hike in a local park or in local bush; city visit; train, bus or ferry trip; swimming</p> <p>Higher risk – e.g. skiing, waka ama, rock climbing, swimming in natural environments (beach, river), field trip involving chemicals or heavy machinery</p>	<p>Blanket consent & activity notification</p> <p>Separate consent for each event and risk disclosure</p>
D	Off-site – multi-day trips further afield	
	<p>Lower risk – e.g. trip to another region; sports tournaments; field trips to urban environments, historic sites, and "front country" (having well-formed tracks)</p> <p>Higher risk – e.g. overseas trips; field trips into natural water, bush, or alpine environments, or other hazardous environments (for example, where chemicals, heavy machinery, or other hazards are present); outdoor education camps; outdoor pursuit journeys in the "back country" (for example, biking, tramping, canoeing)</p>	<p>Separate consent for each event</p> <p>Separate consent and risk disclosure</p>

Staff analyse the risk associated with all EOTC activities, and identify strategies eliminate, isolate, and/or minimise the risks.

You can read more about our school's **EOTC policies and procedures** on our SchoolDocs site – there is information specifically for parents in a topic called Communicating with Parents.

BLANKET CONSENT FOR EOTC ACTIVITIES

I/We agree to the participation of _____ (child's name)
in all Type A and B and **lower risk** Type C EOTC activities while a student at Collingwood Area School.

I/We have provided the school with up-to-date medical, supervision, and learning information through the enrolment form, and will make every endeavour to keep this information current.
