Tuition Fees

The tuition fees include all tuition costs including ESOL tuition, an airport meeting service at Nelson Airport, text book loan and specialist subject costs such as printed materials and workbooks for subjects. Camp fees for each year group are also included in the tuition fees. Each student will also receive their school photo and a copy of the school magazine at the end of the year.

Government Levy and NZQA Fees

The Government levy is \$429 annually or \$11 per week of term time. A term has four terms. If the student is entered in NCEA Exams NZQA fees will be invoiced at \$384 annually.

Stationery

General stationery will cost approximately \$100. This can be purchased through the school. Specialist stationery such as graphic kits, calculators including graphical, printing and photocopying costs will be above this estimate.

Health and Travel Insurance

This is required by the New Zealand government. It is possible for the school to arrange this through Uni-Care at an approximate cost of \$500 for the year. Evidence of insurance arranged privately must be shown to the school prior to arrival.

Uniform

Uniforms are available from www.nzuniforms.co.nz\CAS.

Pocket Money

We recommend NZ\$75 per week for day to day spending. However, given our location this may not all be necessary as shopping opportunities are limited to visits to bigger centres.

What Is Not Covered

Private music lessons and instrument hire, sports registration fees and uniform hire, field trips and camps and all out of school activities such as sports registrations and cultural activities. Some subject areas have specific needs and/or equipment and these will incur extra costs.

Bank Charges

A telegraphic transfer fee of NZ\$25 is payable if paying directly into the Collingwood Area School bank account.

Please Note: these fees are inclusive of GST. The Government levy and NZQA fees are set by the NZ government and are outside our control.
