## This Term's Focus: Taking Responsibility/Rangatiratanga

March 03 2020

Term 1 Issue 02

### School Closed

School will be closed for students on Monday 23 March as teachers across the CoL meet at GBHS for a day focussed on Digital Technology and Relational Practice.

### Pool Keys

Need to be returned to school by Thursday 08 April in order to secure a refund of your \$50 bond. Keys returned after this date will not be eligible for a bond refund.

### Bus Changes

Any changes to transport need to be made by 2.30 pm please. Any changes after this time call and talk to someone in the Office to ensure that your request is heard.

### 2020 Year Book

It is not too early to order a Year Book for your family. The cost will again be \$15 per copy. All orders will need to be placed and paid before the end of Term Three. Thank you.

Kia ora koutou,

Congratulations to the following students who have been rewarded for selection in the TOSI team for Reefton:

Dani, Holly, Momoti, Lilly, Natalie, Bianca, Zoe, Hayley, Claire, Devon, Clay, Dallas, Luca, Jayden, Ben, Daniel, Patrick, Jesse, Logan and Colin. The team has been training hard and are looking forward to defending our title.

A changed format for Athletics Sports saw our Years Three and above rotating around their activities in a Standards Meeting over the whole day, while our Year One and Two Classes competed for the first two periods. We really appreciated the support from whānau who were able to make it and lend a hand where needed. We were highly impressed with the levels of participation and effort from students with several records being broken!

Suffice to say it has been a very sport dominated beginning to the year. It is important that our learners particularly in Senior School keep on top of their NCEA commitments as the year has the ability to get away on us. Our Senior School teachers are very aware of this and are providing guidance.

This week the Design Team for the School Rebuild will be on site for the first meeting. This is a milestone moment and we are looking forward to meeting the Team and sharing our school with them.

There seems to be some confusion around the correct school uniform. The only outlet that CAS uniform can be purchased from is NZ Uniforms. Postie and Kmart gold t-shirts are not acceptable even with an added logo. Please go to the following website to place an order: <http://collingwoodareaschool.nzuniforms.com>

Good luck to those students taking part in the Weetbix Tryathlon at Tahunanui next Sunday.

Ngā mihi nui.

Hugh

## Senior Swimming Sports

Another fantastic Secondary Swimming Sports. Monica did a great job getting everyone organised into their heats and we enjoyed her running commentaries and musical interludes. The students were amazing. Such awesome efforts with everyone playing a role or participating in some way.

We enjoyed some close races and impressive swims. Luca Olney broke the record 25m Butterfly Flipper assisted Senior Boys record with a time of 13.76. This was previously held by Brett McKay who had a time of 14.00 seconds in 2018.

The inter-whānau relays are always the highlight and all three whānau teams finished within seconds of each other. Thanks Jonny for cycling home in his lunch break to grab his togs to help the staff to nearly beat the Common Room!

Whenua came first overall, Ahi second and Wai third.

Sam Gaddes

## Spirit Of Adventure

I was so lucky to get an opportunity to go on the Spirit of Adventure to experience a ten day trip of a lifetime! We departed Nelson just before noon and everyone was so excited to see what this trip is going to bring us. On that very first day of the voyage, the crew tried to get us, the trainees to know each other's names. So we played a lot of name games that day. Later in the day everyone gathered together and the crew asked us where we want to spend the ten days since it's our voyage, and the majority said we will be spending those days at the top of the South. All of the excitement just disappeared from my body all of a sudden because I'm literally going back to where I came from and I was actually looking forward to going to a place that I've never been to before, but little did I know that it was going to be the best ten days of my life.

We sailed to Farewell Spit first thing and everyone was amazed to see the Spit. On our way there, dolphins decided to come and say hello so we quickly dropped our anchor and jumped into the ocean next to them to greet them back. We had a great swim with dolphins.

The next day we woke up at 6:30 am, put our togs on, and jumped into the ocean. After a very nice refreshing early swim, we had a one to two minute shower. We had breakfast and then cleaned the boat. That was the everyday morning routine. After cleaning the boat, the real fun starts from there. And I am so happy we chose the top of the South Island because it is an amazing place to explore.

We spent some days at Farewell Spit, Adele Island, Solomon Island, Awaroa Bay, Totaranui, and Mutton Cove. We also went tramping from Totaranui to Awaroa Bay - it was so beautiful.

We all left the ship with a whole lot of new skills, new friends, and a new confidence to take on the challenges of life. It was a fun and memorable trip. I loved every minute!

## Thank you!

We are so lucky to be in such a supportive and caring community. Over the past few weeks our kura has been lucky to receive from **Renee Riley, Bay Fitness** a number of brand new yoga mats for our tamariki to use. The photo below shows Te Tipuranga (Pip's class) re-energising after a busy morning in class.

Over the past few years we have been overwhelmed by the gifts we have been awarded with by the South Fuels, Fuel For Schools Programme. Thanks to the following businesses who have signed up for the scheme with N V Miller's Ltd in Collingwood, our youngest students have just had a brand new TV and Chromecast installed in their classroom due to your support:

Nalder Holdings Ltd  
Riverlea Farm Ltd  
Kaihoka Farms Partnership  
Riverside farm 2008 Ltd  
Burton Ale Farm  
Chisel Hill

## Year Ten Social Studies

We have just finished our first Economics project in Year Ten Social Studies. Their task was to design and make an innovative new flavour of ice block and market it to a select demographic looking at issues such as packaging design and target audience. We then investigated concepts such as supply and demand, opportunity cost, scarcity and pricing. We also touched on balance sheets, income and expenditure and interest rates for borrowers and investors. The students came up with some very interesting flavours using ginger beer, yogurt and berries, banana and chocolate. The winning group flavoured theirs with apple juice, blueberries and raspberries and included a 'free' baby as a gimmick to attract their consumers. Congratulations to Tiana, Renee and Claire for their winning product. Thanks to Kate in the office for helping judge.

Nāku noa, Monica

## Te Rerenga Fundraiser

Kia ora

Each Friday lunchtime for the next four weeks Te Rerenga will be selling \$2 Juicies and Icecreams as a fundraiser for their Whenua Iti Leadership camp at the end of term.

Thank you for your support - the tamariki of Te Rerenga

## Library News

Welcome.

We had a lovely delivery of two boxes of books from the National Library last week. We have made an interloan with them for books of high interest and to promote reading engagement for our students. We can have the books for two - three months before we send them back.

Some of the books can be borrowed and taken home while others can be just looked at in school. They are brand new books and very popular.

We have also bought some new jigsaw puzzles as a lot of pupils seem to love doing them. We have dragons, pirates, farms, tractors, diggers, and other machinery.

### Reading literacy:

If you are unsure what reading literacy might look like, then PISA, (the international organisation that evaluates 15 year olds on their performance in Maths, Science & Reading) identifies these main areas.

- Locating information within a piece of text
- Understanding the literal meanings within a piece of writing
- Evaluating and reflecting on something they have read, especially identify conflict
- Reading texts easily and efficiently so they can hold their attention on it and remember what is written.

This does not apply to just English but it is in every subject. By building up a solid practise of reading a variety of books from a young age this reading literacy is already established by the teenage years and makes learning new topics and skills a more straight forward process. Please encourage your children to read, for their future, show them that you do it and it is important to you.

Finally we would like to say a huge Thank You to Trash Palace for their generous and thoughtful contribution to the School Library! Happy reading - Diane & Donna

## CAS Athletics 2020

Last Wednesday we were lucky enough to have a whole school Athletics Day run by Mrs Gaddes, Mrs Dixon and Mr Gully. The event was great fun and could cater for both competitive students and those who just wanted to give it a go. It also gave an opportunity to learn and thrive outside of a classroom. Personally I enjoyed this event because there was lots of positive energy, encouragement and tuakana teina. I was inspired by the dedication of all students and particularly those who broke records.

## Ki-o-Rahi Tournament at GBHS

On the 27th February, Golden Bay High School hosted the Tasman School Sports Ki-O-Rahi tournament, which we were privileged enough to attend. Collingwood took two teams (twenty selected students) and we played multiple games throughout the day against five other teams. This was a great event and good practice for TOSI which is just around the corner. Although it was a competitive event, teams were supportive and the atmosphere was friendly. It was nice to hear teams supporting each other during games. Overall it was a very well run event, thanks to Sam for taking us, Lorna for umpiring and Cherie and Blair for organising.

### Racing Pigeon!

Last night we got a pigeon.  
It is my sisters.  
I have never seen this type of pigeon before.

By Kaihautu

### Glow Worms

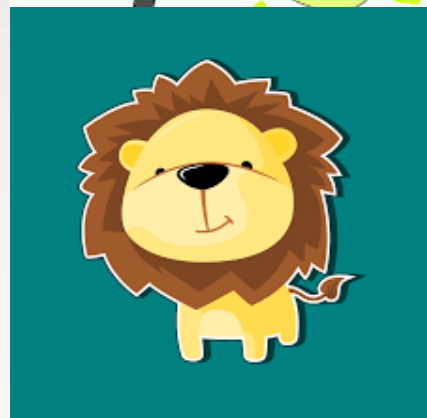

I saw some glowworms and they were big.  
I know that they are all boys because my Mum told me.

Thankyou

## GB Football - Can you help?

As with most community organisations we run on the generosity of volunteers. And since 1967, when it all started, there have been heaps who've stepped up and kept football on the menu here for more than half a century.

With over a dozen years service between them, our Secretary and Treasurer are looking to pass the baton and the Club is searching for who might be next? It's vital we secure help this season to keep the club viable.

Amongst the business of it all, could you spare two hours a month for committee meetings and a bit more besides?
