Kia Ora whānau,

It gives me great pleasure to report on our Senior Camp last week. Our main motivation for taking on such a bold idea was to continue to develop our whanaungatanga (sense of collective well being), provide more leadership opportunities for older students, have some new experiences and have fun!

At the poroporaki (farewell) on the last night, students feedback was overwhelmingly that the aspect of camp they valued the most was being with their peer group and getting to know others. As adults it was obvious to observe the interactions between year groups and the fun they were having.

We all had our challenges and for some it was simply being away from the comforts of home for the week, while others the physical challenge of climbing up Speargrass Creek or Mt Robert certainly tested our fitness! The rotation day of Mountain Biking, Archery, High Ropes and Kayaking exposed students to some new experiences, while the climb into Lake Angelus for the Outdoor Education group with Pete and Simon is a memory to be cherished.

However my lasting impression will be of being with a friendly, funny and engaging group of young people. A number of students pretty much took over all the cooking and it was a wonderful surprise to come back from a day in the field to find fresh baking and dinner all prepped.

A massive thanks to the tamariki and kaiako who contributed to a memorable week.

Good luck to our TOSI Trial students who are heading to Rangiora on Sunday!

Ngā mihi nui

Hugh

## Year 9 - 13 St Arnaud Camp

Last week we had our senior camp at Lake Rotoiti.

We all enjoyed partaking in Tuakana Teina within year groups through various activities such as Mountain Biking, Kayaking, Day Tramps, Archery, Cooking, Team Bonding and Kapa Haka performances. The aim of this year's camp was to build stronger relationships between the different year groups. The highlight of my week would have been the high rope jump because it required trust from our team mates.

Thanks to all the staff for a memorable trip.

Ngā mihi, Lilly B - Head Student

Kicking Term Two off to an exciting start the Year 9-13 group went to Lake Rotoiti for our 2021 school camp. We all had various team building activities on day one which strengthened the idea of working together and welcoming in the Year Nines as they are new to the senior school. We spent time in our whānau groups building stronger bonds and preparing for the concert night on Thursday, as well as taking turns cooking the meals for our peers. Overall it was a great experience as we were able to learn more about our peers through hands-on activities such as high ropes, kayaking, MTB, archery and day walks. The camp also reinforced positive relationships between staff and students.

On a very beautiful Wednesday morning, our Outdoor Ed class along with Tiana, Kase, Mr Taylor and Mr Graves departed the Lodge for our overnight tramp to Angelus Hut. We had the most beautiful weather for both days which really showed off the exhilarating views! It was a very hard and challenging walk on the first day but we all got through it as a team. On the first day, we went up the Speargrass Track and stopped for lunch at the Speargrass Hut then we continued up the Speargrass Creek route to Angelus Hut. It was a very nice view surrounding the hut and at night we went out to look at stars and they were so amazing it felt like they were right above us and were twinkling very brightly. The next day we woke up to see the sunrise, got ready for the day and off we went through the Robert Ridge and the Julius and back to the camp lodge.

## Library News

We have a wide range of new and exciting books for you to reserve. Here are just a small selection of five. Come in and check out the **NEW BOOKS TO RESERVE** stand. More books will be up each week.

### **I am Defiance by Jenni Walsh**

A gripping story about a real-life youth resistance group in World War II Germany, and about the power of thinking for yourself in the fight against hatred. Brigitte tries not to ask questions. They don't seem very welcome at her League of German Girls' meetings, where she and her friends learn about their duties to Hitler's war effort. But she can't help asking questions when a mysterious pamphlet appears in her mailbox: a pamphlet full of words like resistance and freedom, from a group that calls itself the White Rose.

### **The Outlaws Scarlett & Browne by Jonathon Stroud**

Set in a broken, future England, where gunfights and monsters collide, this is the exciting first title in a phenomenal fantasy teen series by the bestselling children's novelist. England has been radically changed by a series of catastrophes - large cities have disappeared and London has been replaced by a lagoon. The surviving population exists in fortified towns where they cling to traditional ways, while strangely evolved beasts prowl the wilderness beyond.

### **Will you survive? by Paul Beck**

Play the main character in your own adventure story! Each richly illustrated situation includes a disaster, and you must choose between three options for survival. As you choose, you'll learn real-world survival skills as well as facts about wild animals, natural disasters, and everyday accidents. As you dash to catch your flight home from a tropical trip, your dream vacation in Borneo quickly turns into a nightmare. Your plane crashes in the Himalayas! You're charged by a rhino in India! A rip current sucks you out to sea! What do you do? In each situation, you'll have a choice to make--and the actions you choose will determine whether you make it home.

### **Your manual on being a New Zealand Hunter by Rod & Rifle**

The NZ Rod & Rifle team have endeavoured to discuss a large and varied range of topics aimed at any hunter — from the novice hunter through to the expert. The experienced writers are all out there doing it and like nothing better than sharing their hard-won knowledge to make it easier for other hunters and shooters.

### **Lightfall - The girl & the Galdurian by Tim Probert**

The first book of the Lightfall series introduces Bea and Cad, two unlikely friends who get swept up in an epic quest to save their world from falling into eternal darkness. Deep in the heart of the planet Irpa stands the Salty Pig's House of Tonics & Tinctures, home of the wise Pig Wizard and his adopted granddaughter, Bea. As keepers of the Endless Flame, they live a quiet and peaceful life, crafting medicines and potions for the people of their once-prosperous world. All that changes one day when, while walking through the woods, Bea meets Cad, a member of the Galdurians, an ancient race thought to be long-extinct. GRAPHIC NOVEL

Good to see you all after the holidays, bring back all the books you got out for holiday reading so you can stock up again. Play our games, do our jigsaw puzzles, colour in a picture. See you all in here.

## Te Tipuranga's Afternoon Tea

In Te Tipuranga we have been doing a unit on "Our Special Things" (A maatau taonga)

We looked at things special to us and then we talked about people who are special to us. The students decided that they would like these people to come to our class and this developed into an afternoon tea.

So on Thursday last week with the help of Sharon Austen and Nancy Jean Bell we set about cooking food for the event.

On Friday we had a great time sharing what we appreciate about our special people and eating the delicious food that the children prepared.

## Show Day

The Show Day Committee would like to thank The Ferguson and Wyllie families for nominating us to receive a donation from the Rogaine event held at Kaihoka last term. We were also invited to sell food.

From this event we have raised enough money to cover the cost of purchasing this year's ribbons.

Many thanks to Richard and Val English, Peirs & Jenny McClaren and their supporters for their generous donation. What a great event it was. To The Ferguson and Wyllie families for letting this event happen on your property and letting the Show Day Committee be involved again huge thanks!

From Pip and the Show Day Committee.

## Your community's lifeline

The chopper can be the difference between life and death for our rural communities.

Remote and hard to reach properties are easily accessible for our crew, we can either land on your property or winch you to safety.

We're partnering with PGG Wrightson to help save your whanau, friends and neighbours and you can help by being a part of this fundraising initiative.

## We need your help

It's simple, you can offer to raise one or more of our 'Chopper Calves' along with your own herd, under normal farming practices for 1-2 years. PGG Wrightson will purchase the calves on your behalf and on sale, the proceeds will go directly to our vital rescue service.

For more information about this fundraising initiative, please visit our website and read some of our life saving stories.

## Healthy Smiles

Fluoride strengthens and protects teeth. These toothpastes contain the recommended amount of fluoride.

1000 ppm

1450 ppm

1000 parts per million fluoride strength is equivalent to 0.22% sodium fluoride.

Brush with at least 1000ppm fluoride toothpaste for 2 minutes twice a day to avoid tooth decay.

Under 6 years: use a smear of toothpaste.

From 6 years: use a pea sized amount.

**Just spit, don't rinse!**
