Kia ora

Hot Chocolate

For sale on Thursday morning outside the Staffroom.
8.30 am - \$2 each.

Kia ora te whānau

At the end of term I often scope back over the term's Facebook postings to recall the events that we have celebrated over the previous ten weeks. The term kicked off with a busy and productive camp with all senior students at Lake Rotoiti that included the Outdoor Education class conquering Lake Angelus. A group of students under the tutelage of Mr Faavae ventured into the world of debating at the Village Theatre. Caleb, Skyla and Seth continued their weekly Fresh FM Radio show that they are producing 100% autonomously. A group of seniors trialled for selection in the South Island Area Schools teams with Lilly, Bianca, Ben, Natalie and Momoti being selected. We wish them luck in the upcoming holidays as they travel to Dunedin. Jonny Hanlon took Te Kōrari on a number of local excursions including Tim Jessep's Pottery, The Airport, and Meret's Nusery. Pat and Logan continued to lead our trapping expeditions to Triangle Flats, and have now handed over the reigns to a new crew. We were lucky to host ex-Oceania Footballer of the century Wynton Rufer and on the same day we raised over \$250 and had a whole heap of fun on Pink Shirt Day. Sport was dominated by Netball, Ripa Rugby, and our Cross Country runs, including hosting the Primary Inter school event. Last week we celebrated Matariki with the whole school rotating around a number of activities - thank you Alison for taking over the reigns for this event! Suffice to say a busy, productive and positive term.

We farewell Jonny Anderson on Thursday. We thank Jonny for ably looking after our Year 7/8 class with Charlotte in Mieke's absence. The team of Jonny and Charlotte has worked really effectively to ensure continuity in class. Next term we welcome a new teacher Phillipa Brake who is a Kiwi but has been teaching overseas, most recently in Melbourne. Phillipa will teach that class for the rest of the year. Charlotte will continue to work in various classes throughout the week. Other changes to the Term Three Timetable will see Year Nine Maths being taught by Pete Taylor for the rest of the year. Staffing in Term Two has been a real challenge with Garry and Mieke on leave and I am grateful to our teachers for covering classes and stepping in when needed.

The building project is really stepping up and the design team are moving into the detailed design stage. We have been working in last two weeks at options for furniture for each space which is very exciting.

Time for a break and refresh for us, and we wish you all well in the next two weeks hoping that paddocks are not too bogged and winter feeding goes well! Let us hope for a respite from the rain !

Ngā mihi nui

Hugh

Primary Cross Country

On July 18th the Golden Bay Primary Schools arrived to a beautiful sunny day at CAS for the Golden Bay Inter Schools Cross Country.

It was a stunning day weather wise and everyone was buzzing with excitement to have the sun shining and in anticipation of the races to come.

The day started with a very warm welcome to all the visiting schools and was then followed by a fun warm up for everyone lead by Renee Riley from Bay Fitness.

It was wonderful to see so many happy children competing in their races. Many of them arrived back at the finish line with huge smiles on their faces and covered in mud.

A special thank you goes out to Mark and Wendy Strange for allowing us to use their farm property as part of our course for the older students. Thank you also to all the supportive parents who came on the day and cheered and smiled as their children crossed the finish line.

5 Year Old Girls

1st Place Mazzy Evans

10 Year Old Girls

1st Place Maryanne Kobebe
2nd Place Maddie Donaldson
3rd Place Millie Riley

Secondary Cross Country

We had great participation from students, staff and whānau at this year's senior Cross Country. There was the option of a competitive 5km race or the slightly shorter fun run / walk. The students had some great costumes all representing their whānau colors. The students choice for best dressed went to Brooke Urquhart. We also held a photo competition to capture the best moments of the day, Sophia Solly and Elizabeth Strange had their entries selected by our very own resident photography critic Elda Heywood. Special mention must go to Cooper Strange for his last minute entry and blowing away everyone cruising in three minutes ahead of the next student. He will be one to watch in years to come! It was a great effort from everyone that got involved and gave it a go, hopefully there weren't too many sore legs the next day.

Pete Taylor

Top Ten

Place	Name	Time
1:	Cooper Strange	25.12
2:	Claire Sparrow	28.16
3:	Ben Rillstone	28.32
4:	Thorin McQueen	28.36
5:	Petra Mouen	29.13
6:	Isla Foulds	29.14
7:	Aonghus Garbutt	30.04
8:	Alex de Jong	30.10
9:	Logan Ricketts	31.16
	Patrick Honey	31.16
10:	Bailey Heuvel	31.31

Overall Winner (Year 5): Cooper Strange

Junior Girls and Boys (Year 7 and 8):

1st Place	Isla Foulds & Aonghus Garbutt
2nd Place	Zoey Riley & Alex de Jong
3rd Place	Syriah Haare & Logan Ricketts

Intermediate Girls and Boys (Year 9 and 10)

1st Place	Maia Bain & Thorin McQueen
2nd Place	Royce Rhodes
3rd Place	Caleb Scott

Senior Girls and Boys (Year 11 - 13)

1st Place	Claire Sparrow & Ben Rillstone
2nd Place	Zoe Whitwell & Petra Mouen
3rd Place	Tiana Olney & Patrick Honey

Matariki

Our Matariki celebrations on Friday were amazing. Thanks to everyone who contributed to making this a memorable occasion.

The day began with a Mihi Whakataua in the hall with Matua Lloyd saying a karakia and then welcoming mana whenua, kaiako (teachers), parents, helpers and students. This was followed by our school waiata, then students were led off to various locations to participate in activities throughout the day. These included harakeke (flax weaving), rakau (stick games), string games, art, wind toys, poi, navigation, coding and kapa haka. Some students participated in day long activities such as Art with Robin Slow and flute making with Simon Walls. There was also an awesome group of young people who worked all day preparing the kai for us to share towards the end of the day.

Thanks very much to everyone who helped us with the celebration. A huge thank you to Matua Lloyd for beginning his day at 5 am to get the spit roast underway. Thanks also to Renae and Reece Swan for lending us the spit roaster and to Shane and Kate Ricketts from Lone Star Farms for donating the sheep for the spit.

Thanks to Lauralee Duff, Lynda Earle, Simon Walls, Kathy Hindmarsh and Robin Slow, for coming in to lead or help run workshops with our students.

Thanks to Tracy Nalder and Eunjoo Seo, the parent helpers who stayed all day to support our students, and thanks to other parent volunteers who popped in for part of the day.

Thanks to our kaiako (teachers) who spent time preparing for activities that some had not done before, and to those who have amazing skills who were willing to help our students have fun learning new skills. A special thanks to Elizabeth and Lloyd for coming in to help on your normal days off. And to Kevin Heywood for helping out with Robin Slow's Art group.

We want to acknowledge Lilly Bain who initiated this event and was a driving force in the preparation.

Thanks also to Craig, who had the grounds immaculate and prepared the hall and outside area for us to sit around and enjoy our kai.

The day ended with a get together in the hall for a proporoaki, sharing time and thank yous.

The weather was beautiful, the kai was delicious and we had a fabulous day!

Manawatea a Matariki!

Ngā mihi, Alison Menary

BoT Spot

Hi.

I am Nicole Custers a Year Twelve student at Collingwood Area School. I am the school's Student BoT Representative - Student Trustee. I've been going to CAS for six years now, taking on a wide range of classes and out of school responsibilities. I'm looking forward to being on the Board and being able to give a student's perspective on things.

Thank you

Nicole

Nicole with Lauralee from mana whenua during CAS Matariki last week.

Quiz and Culture Outing to Nelson

Asha, Claire, Bonnie, Iris, Tiana and Zoe attended the Waimea and Nelson STEAM quiz last Wednesday night.

The theme was Fairy Tales, so they all dressed as characters from Shrek, which added to the fun. We didn't quite get last, but the overall experience was absolute fun. The quiz questions were Science (which they did well in), Technology, Arts and Mathematics, creatively interwoven with the Fairytale theme.

On Thursday we went to the Nelson Museum where we had the privilege to see the "Rarely Seen" Photographic exhibition by National Geographic, and some more closer to home historical objects, items and stories. We also visited the Suter Gallery, where we saw a "Gully" on the screen, with the highlight being a real life sized Bill Hammond painting.

There wasn't too much time for shopping, but everyone seemed to have had a great time. A lot of interesting discussions happened on the way home.

Ngā mihi Elda and Braden

Library News

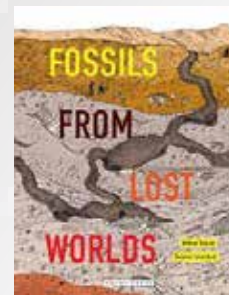

Hi there,

We have a fantastic display throughout the Library celebrating Matariki and all things that you can do in Winter with your family. If you get a chance, come into the Library and look at all the sparkling lights and activities.

We have a Whakapapa mini display with Family tree sheets that you can take and fill in with your mum and dad. You can make treasure boxes with origami or paper folding. We also have string games, (he whai) for you to play with your friends.

This is the LAST week of term 2!! Stock up with your holiday reading to fill up those chilly days when you are inside and those evenings when it's dark by Tea time.

Here are some of our Latest Books.

Go on, read a book, you'll love it! Happy Reading - Diane & Donna

Barista Course

Thank you to Alison for arranging a two day Barista training course last week for a group of our older students. Some really good skills learned from the NMIT Tutor!

Rugby Tournament

Last Wednesday we took a group of tamariki over to Tahunanui to play in a Tasman Rugby tournament. There was a Year 4-6 mixed team and a Year 7-8 girls team that went over. It was the girls first time playing tackle rugby and they were up against a lot of teams that were much bigger than them. That didn't stop them though, they got stuck in and played like gutsy little country kids! All of the girls played amazingly and all reported very sore bodies the next day. The mixed team played great too, winning two out of the six games. An awesome effort from all and a big thanks to parents that came along.

Ngā mihi, Kim

Inter School Speech Competitions

Over the past term all of our Year 4 - 6 students have been writing, practising and then presenting speeches to an audience.

A few were chosen to go to the Inter School Speech Competitions held at the Takaka Library last week. All our tamariki were outstanding and we would really like to acknowledge Aesha who came 2nd in her year group and Olea who came first in the Year Three age category - Tu Meke!

Dates for 2021

09 July	End Term Two
26 July	Start Term Three
11 August	ACCORD DAY THREE - No School For Students
27 August	LipSync Performing Arts Evening
02 September	Library Quiz
06 - 09 Sept	Te Kuruwaka Ski Camp
16 September	IS Maths Quiz
21 - 24 Sept	Te Puawai Totaranui Camp
27 Sept	Show Day
01 October	End Term Three
18 October	Start Term Four
25 October	Labour Day
28 October	Shake Out
26 November	Senior Prize Giving
02 December	ACCORD DAY FOUR - No School For Students
14 December	End Term Four

Collingwood Area School Health Nurse

Confidential Free Service

Chloe Zeewoldt, our Health Nurse, is available on Monday afternoons in the Office attached to Room Nine for confidential, free of charge, appointments about any health issues, or to arrange access to doctors and prescriptions for our Year Nine - Thirteen students.

Drop in or text Chloe on 027 203 1213 to make an appointment

Ending Period Poverty

▲▲▲
MINISTRY OF EDUCATION
TE TĀHĀKURI O TE MĀTAURANGA

Periods are a fact of life for half the population. Period.

Despite this, ākonga don't always have access to the products they need to feel comfortable at school, engage in their learning, and manage what should be a normal and healthy part of life.

We recognise that access to period products is a necessity, not a luxury. Poor access to period products can affect attendance and engagement at school. Ākonga miss out on sporting and cultural activities and can feel embarrassed and ashamed, affecting their achievement and wellbeing.

By providing free products your school or kura can help ensure every ākonga can continue to participate.

Free period products in schools.

This started as a trial in 15 schools and kura in the Waikato. Feedback has been overwhelmingly positive, with ākonga saying they value being heard and feel cared for.

We are now giving all schools and kura the opportunity to opt-in and receive free period products for all ākonga.

Providing free period products at school is one way we can make a positive impact on the wellbeing of ākonga.

12% of New Zealand year 9-13 ākonga who had their period reported having difficulty getting menstrual items due to cost.

19% of Māori and Pacific ākonga reported ever experiencing period poverty.

ALMOST 95k of 18 year olds are unable to afford period products, which can prevent them from attending school.

Source: University of Otago.

— Access to period products in schools and kura.

You may have heard in the news lately that the NZ Government have funded free period products in schools.

Our first package of products including tampons and sanitary towels arrived last week. Mrs Menary, Mrs Heywood and Mrs Gaddes met with the Year 6-13 girls to talk about the initiative.

For the younger students we discussed why we get periods and a little bit about each product before handing them out to all year groups.

The products will be made available to all girls Year Six and above if and when needed.

Period products should be free in all schools. Period.

— Access to period products in schools and kura.
