Term One Issue 1

Ngā mihi nui e nga whānau,

I am really pleased to see the sun out this week after all the rain and I hope that your water tanks are full and pasture growth is well on its way.

A huge thanks for all your support in getting our students back to school and well prepared for learning. I can confidently say they have settled back extremely well into the learning habit.

Changes

Our new teachers have settled into the routine and have been warmly welcomed by our students.

asap so that we can update our records.

Our focus in the next few weeks will be on Year 1 - 10 assessment and making judgements as to where the learners are at in Reading, Writing and Maths. It is important to have this baseline data so we can measure it again at the end of the year and see if there is any improvement. We measure the overall % increases of students who are working at or above the curriculum level by completing a number of assessments in each area to make the judgement. In 2021 we had an 8% increase in Reading, 7% in Writing and 13% in Maths by the end of the year.

Furthermore our NCEA results saw 83% pass Level 1, 100% Level 2 and the only Level 3 candidate also passed. Overall we have achieved 3 Excellences and 5 Merits. We will celebrate these results at an up coming Academic Assembly. Unfortunately COVID restrictions will not allow whānau to attend.

Thank you.

Covid restrictions also mean that whānau cannot attend Swimming Sports, which will be held next week with Primary being on Thursday and Secondary on Wednesday. We also will not be having 'meet the teacher' face to face. We know many teachers have already made contact. We are offering a phone conference and if you would like to take up that opportunity please email the individual teacher and they will respond with a time to call.
