Friday 24 June
School will be closed.

Visioning Survey

All whānau should have received, via email, a link to a survey around the future vision for our kura. Please contact the Office if you did not receive it.

Period Products

Free period products are always available for students. Either in the senior restrooms or ask at the Office.

Changes to Transport

Please leave a message with your child's first and last name and the bus used if relevant.

2021 Year Book

Still available for purchase - \$15 each

Kia ora whānau,

Our Senior Secondary Camp, Building project and School Revisioning process have dominated our focus in recent weeks.

Our aim of taking the Year 11-13 cohort to the outer Marlborough Sounds was to explore a very different part of our country and have an enjoyable time in each others company. While COVID and the weather were against us we achieved what we aimed to do. The weather did not hold us back from exploring and fishing in the French Pass, Mountain Biking, Kayaking and walking. I cannot speak highly enough of our Year 11-13 students on this camp. They embraced the experience and had a whole lot of fun. Their work ethic at meal times and on the final clean was outstanding. It was a pleasure being away with them.

We have received an updated timeframe for the building project and some new key dates. Ground works for the Teaching block are ongoing and backfilling has commenced. The Administration Block is planned to commence on July 11 while the summer holidays will see the Tech Block and Hall refurbishment, subject to final confirmation. Completion of all buildings is due July 2023 before deconstruction of the current school.

Finally we congratulate a number of students who have enjoyed success recently. Natalie Iorns who has been selected for the Nelson Under 16 Netball Team. Natalie has already played a number of games in the attack zone for the rep team in Ashburton and Blenheim. Lilly, Hayley, Amelia and Bonnie represented Golden Bay in the Under 18 Netball team with a tournament in Blenheim. Jaimie, Lily Ch and Nova all completed a Year 9 / 10 Nelson Netball development programme - a big effort - well done! Finally, Zoey R, Isla F, Ina W and Sophie R completed their Duke of Edinburgh Adventurous Journey in a wet and soggy Abel Tasman.

Nau Mai Haere Mai Kaye

Kia ora Collingwood Area School whānau. I'm the "new" person answering the school phones that you think is Kate but it's not – it's Kaye!!

I have the privilege of taking over from Irene Pomeroy having worked in a similar position at Central Takaka school for the last 14 years - how quickly time flies! Prior to that I was lucky enough to spend a few years as a full time Mum to my two, now almost grown, kids, after coming to the Bay in 1987 as a Conservation Officer working in the Protected Species area.

My roots are in the deep south having grown up on a sheep and beef farm near Gore where most of my extended family still live.

I am really enjoying the challenge of adapting to working in an Area and, for me, a "big" school. It will take me a while to learn everyone's name – something your kids are finding very frustrating – but I will hopefully get there!!!

Please pop in and say hi when you are next at the school – it's lovely to put faces to names.

Kaye

Jumping June

This year our Year 1-8 students are taking part in Jumping June. We are joining many schools from around New Zealand to raise funds for the Heart Foundation.

Your child should of bought home a letter and information pamphlet explaining this event. The pamphlet runs through how to register your child for this event and how to begin online fundraising.

We will be holding our school's Jumping June day on the 29th of June. More details will follow closer to the date.

If you have any questions please let me know.

Library News

Wow, we are halfway through the year, Wow the weather has been wild, Wow the New Zealand Book Awards finalists for Children and Young Adults have been chosen. We are pleased to have many of them in your library to enjoy.

These are some of them, so please come and have them issued to you and enjoy them yourselves and with your family too. These books will expand your imagination and knowledge. There is no better time to be snuggled in with a good book than now.

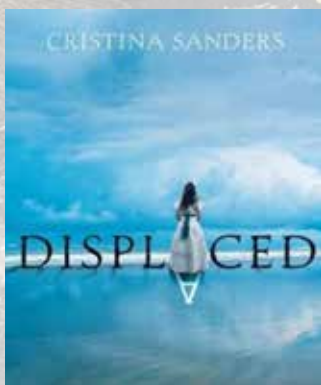

'Atua'

Gavin Bishop has written and illustrated a stunning large book on Māori Gods and Heroes. It invites you to learn more about te ao Māori and the Māori world. The illustrations not only stimulate the eye but the emotions of people who choose to enter this world.

'The Uprising the Mapmakers in Cruxcia'

Eirlys Hunters' exciting follow-up to the internationally successful The Mapmakers' Race, the Santander children are drawn into a community's rebellion against a despot and use their mapping skills to avert an environmental scam. A great intermediate read.

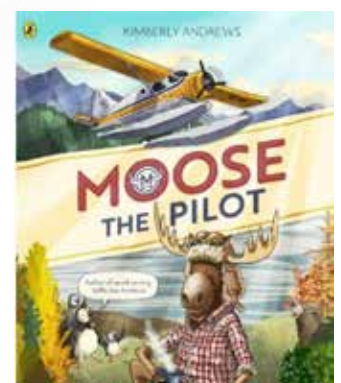

'Displaced'

Cristina Sanders has beautifully written a Young Adult story of courage, family and first love. An enthralling historical novel of immigration, from an award-winning New Zealand author. Eloise and her family must leave Cornwall on a treacherous sea journey to start a new life in 1870s colonial New Zealand. On the ship across, Eloise meets Lars, a Norwegian laborer traveling below decks, and their lives begin to intertwine.

'Moose The Pilot'

Moose flies a plane with wheels, floats, and skis delivering parcels and food to friends in faraway places. Through sun, snow and rain, the illustrations also deliver with their attention to detail, lovable characters and stunning landscapes. It feeds the imagination of readers to go on their own adventure and search the pages for more details.

*Enjoyment for everyone.
Happy reading Donna & Diane*

Visual Arts

This week's Flyer showcases work from Year 7 - 10. Next time our NCEA students will share their work with you.

Hayden- Year Nine - Interpretation of Robin Wite's printmaking

Zack - Year Eight - Cupcake pastel

The Complete New Zealand Scholarship Directory 2022-23 for Year 13 Students Attending University in 2023

University Scholarships for Year 13 Students

MoneyHub, a consumer finance website, has published a guide to hundreds of scholarships for any student planning to start university in 2023.

The comprehensive list includes scholarships offered by every university as well as those specifically available to local students. A list of privately funded, Māori, Pacific and International university scholarships completes the list.

The resource is exclusively for 2022's Year 13 students:
