- **Teacher Only Day -**
Friday 31 May. School will be closed for students.

The ANZAC Day dawn service this year was a very special occasion as a large group congregated at the Collingwood epitaph. Amelia read the Ode in Te Reo, and did a magnificent job representing our school as did Courtney, Nora, Imagin and Natalie when they laid a wreath at the commemorative service. On Wednesday back at school we had our own school ANZAC Assembly where Jonny Hanlon recounted a biography of his Grandfather who fought in the Second World War.

- **Finances:** Given all the camps and extra costs that are asked of whānau throughout the year I thought it was timely to suggest the option of small regular automatic payments into the school account. If you would like to consider this option please see Kaye to arrange. Ngā mihi.

This term our Primary classes are investigating their classroom names gifted to us by Manawhenua ki Mohua. Individual classes will be investigating and visiting Ōpou, Wharariki, Waikato and Pākawau as part of this investigation. We are excited about the connection to the whenua.

- **Parent Teacher Interviews.** Tuesday 25th June. School will close and buses will run for students at 1pm. More info to come.

Late last term Ōpou and Waikato classes enjoyed an action packed few days at Bridge Valley and I was most impressed with the students accepting the challenges offered. The high ropes course really pushed them to their limits and the manaakitanga shown to each other was commendable.

This term we are having a focus on uplifting our uniform expectations. A reminder of our guidelines are later in the Flyer.

Murchison TOSI

I would like to start by saying “thank you” to Pete, Mike Win, Clay Paton and Mike Wilson for helping get the students ready for tournament.

This year we were a bit light on girls wanting to attend. This meant all the girls who trialed were straight into the teams. The boys on the other hand, had to work hard to make the team.

Our annual Area School’s Tournament was held in Murchison with a massive week of sports and other activities. It kicked off with Ki O Rahi an hour after arriving and finished with a team triathlon and orienteering on the day we came home.

We had the five main sports that students get selected for to go to Nationals plus other things like cooking art and tech challenges and whatever else the host school decides to put on. This year there were things like indoor bowls and go karting, so it had stuff for a wide range of students abilities.

Without Claire we were unsure how the art challenge would be but Nathalie U and her minions smashed them out and did an amazing job!

We held our own in the first few days but as the week went on we slipped down to fifth. This just shows how strong the competition was this year. We didn’t come home empty handed. It was really awesome to come home with the Fair Play trophy. The students, school and community should be really proud of this. It’s also the first time CAS has received it.

We were lucky enough to have Hugh, Mike Win, Renae Swan and Desiree Weston come down to watch and support the teams. Thank you!

Eleven students out of twenty made trials which are next week, again in Murchison and will hopefully make it to nationals in Te Awamutu in July. Congratulations to you all and good luck!!

A massive thank you to Shane Ricketts for coming along for the week and having late nights, early starts and doing whatever was asked of him.

Next year we are off to SWAS can’t wait!

Library News

Welcome to Term Two in the Library.

It's very exciting to see all the new books that are arriving that cover all topics and styles. Check out our new books shelves. We have some new card games as well. Come in and try them out.

WISHTREE by Katherine Applegate: - Red is an oak tree who is many rings old. Red is the neighbourhood wishtree - people write their wishes on pieces of cloth and tie them to Red's branches. Along with a crow named Bongo and other animals who seek refuge in Red's hollows, this wishtree watches over the neighbourhood. You might say Red has seen it all. Until a new family moves in. Not everyone is welcoming, and Red's experience as a wishtree is more important than ever. Funny, deep, warm, and nuanced, this is Katherine Applegate at her very best - writing from the heart, and from a completely unexpected point of view.

We have ANZAC day displays. There are so many great resources that cover this topic and that directly impact on this community and the people in it. It's worth taking the time to read and discover all the stories.

Student Librarians

We are asking for applications from any pupils that would like to be a student Librarian and help us out in the Library.

We will have to cap the numbers at about 15 so that there is enough for them to do. Each pupil will get ONE day a week to come in at both the breaks. We will expect them to start off tidying up, shelving books, cleaning up the colouring-in area and then move onto Library promotion and management. They may have to read picture books at lunchtime to any pupils that want to come and listen.

Looking forward to seeing all your faces in the Library - Diane & Donna

Te Whare Kai

Yesterday Wharariki (Year 7 and 8) were hard at work in Te Whare Kai with Glenda whipping up Mac n Cheese for lunch - yum!

Te Rae in the sunshine!

Notices

Calling all Football enthusiasts! 🏈 We're in need of more coaches to join our fantastic coaching team and help out with our Little Kicks programme. Specifically our 4-5 year old groups, every Saturday 9am -10am, starting this week in both Collingwood and Takaka.

If you have a passion for football and enjoy working with energetic young players, this could be the perfect opportunity for you!

Our Little Kicks program is all about fostering a love for the game while teaching basic skills in a fun and supportive environment.

If you're interested or know someone who might be, please reach out to us via secretary.gbafc@gmail.com

Let's inspire the next generation of football stars together!
