Tuesday 9th December 2025

- **Primary Prize Giving:**
Wednesday 10th December, 1 pm, CAS Hall
Kia ora e te whānau,
As we head into the final days of the school year, I've found myself reflecting on how special these first two terms at Collingwood Area School have been. It has been a privilege to join this community - one that is grounded in manaakitanga, connectedness, and a deep sense of place. Every day I'm reminded of how lucky I am to lead a kura where students, staff, and whānau care deeply about one another and where learning is vibrant, authentic, and full of heart.
- **Thursday 11th December:** Last day of Term Four. Buses will run at 12 pm.
Senior Prizegiving last week was a real highlight, with our students receiving well-deserved recognition for their commitment, growth, and success. Their confidence, their pride, and the awhi from their families made the occasion especially meaningful. Our Year 13s, in particular, impressed me with their maturity and their sense of who they are becoming. It was wonderful to celebrate their accomplishments and to send them off knowing they will make their mark in the world.
- **Swimming Pool:**
Keys on sale next week. Please see Ad on Page 2.
I'm equally excited for Primary Prizegiving this Wednesday, 10 December at 1.00 pm. Our younger learners bring so much joy, energy, and curiosity to the kura, and I can't wait to celebrate their achievements, their kindness, and the considerable progress they've made this year.
- **Non Uniform Day.** Last day of term. Thursday 11th December
The end of Term 4 has been full of activity, with a considerable number of camps heading out over the last few weeks. To every teacher, support staff member, and parent volunteer who has given their time and energy to make these experiences safe, rich, and memorable—thank you. These trips are such an essential part of area-school life, and they simply can't happen without your support.

One of the most enjoyable moments for me personally was joining the Waikato Class on their day out at Farewell Spit. What a cool class they are—curious, funny, thoughtful, and full of enthusiasm. Spending that time with them was a reminder of why we do what we do: to give students experiences that connect them more deeply to each other and to the unique environment we live in.

Two weeks ago, we also had Primary Athletics in Tākaka, which was an absolute delight. The teamwork, determination, and encouragement between students was fantastic to see. Our tamariki represented our kura with pride, joy, and their usual Collingwood grit.

Finally, I want to acknowledge an important step taken by our Board of Trustees. In response to recent national policy changes, the Board has formally reaffirmed its ongoing, unwavering commitment to Te Tiriti o Waitangi. A section from their statement captures this beautifully:

“We reject this backward step. The Board affirms that we will continue to honour

and uphold Te Tiriti o Waitangi in all aspects of our kura's operation, including protecting and promoting Te Reo Māori, maintaining meaningful relationships with mana whenua, and ensuring equitable outcomes for Māori ākonga."

This commitment strengthens the foundation of Collingwood Area School. It ensures our tamariki continue to learn in a kura that values partnership, equity, cultural richness, and justice - now and into the future. This affirmation has also been confirmed to Manawhenua ki te Mohua.

As we wrap up 2025, I extend my heartfelt thanks to everyone who has welcomed me so openly into this community. I'm incredibly proud of our students and deeply grateful to our staff and whānau for the passion, care, and resilience you show every day.

Meri Kirihimete! Wishing you all a safe, restful, and joy-filled summer break!

He waka eke noa,

Kate Staniford
Tumuaki | Principal

November

A very big thank you to everyone who sponsored or supported our hairy endeavours this year for Movember.

With your kind help we managed to raise \$200 towards men's health.

Thanks again for your generous support.

Wishing you a canescent Christmas

The Bristle Band

Pool Keys!

Great news! The remedial paintwork on the pool is complete! We are now filling the pool, but please note it's a slow process due to council regulations.

Pool Keys will be sold from the School Office next week on:

Dates: December 15th - 20th

Times: 9:00 AM – 1:30 PM

Cost: \$80, remember we do not have Eftpos at school

If these times don't work for you, please contact Kaye on 027 5258066 to arrange a time. We can't wait for swimming season!

Year 10 Abel Tasman Trip

This term, the Year 10 students embarked on an epic adventure to explore the Abel Tasman National Park via sea kayak. The trip started a bit earlier than planned, ensuring we got over the hill before the road closure. We arrived and set up the kayaks just as the tide crept in.

We were lucky to have a fine day on Monday, cruising our way up from Marahau along the “Mad Mile” and into Anchorage. We settled in with some beach games, a bit of swimming, and fishing. The trip almost ended there when one of the other hut users nearly set the hut on fire with all of our gear inside! Luckily, the fire was quickly extinguished, and apart from a solid coating of fire extinguisher powder, our food was fine.

The following day, we paddled up Torrent River to the famed Cleopatra’s Pool. Students bravely navigated the cold water and enjoyed the natural waterslide. We even spotted a Whio. On the way out of Torrent Bay, we had a bit more fishing and hooked onto some playful Kahawai. We made our way up the coast, exploring some of the lagoons and finished up for the day at Bark Bay.

The next day started with a tough paddle directly into a headwind. The elements won that battle, forcing us to turn for shore and pivot to Plan B. We retreated back to Anchorage to seek shelter as the wind and rain came in. The students got to experience the power of the ocean as we paddled with the swells. After some time to dry out and warm up, we managed to get a water taxi from Anchorage to Awaroa. Unfortunately, this meant the trusty kayaks had to be left behind, so we quickly packed up and loaded into the taxi. It was a bumpy trip up to Awaroa, and the skipper did a great job of navigating the swells. As the tide ebbed, the students finished the day on the sand flats with a bit of frisbee.

The last day started with the low tide crossing at Awaroa and then a hike out to Totaranui. This was made more challenging than expected, as our original plan involved kayaking, making the gear carry a significant challenge. The students persevered and showed great resilience to overcome this obstacle. They can truly be proud of what they achieved.

A huge thanks to Pip for her invaluable help with everything, and to Lloyd, Shawn, and Sam Iorns for assisting with transport.

Pete Taylor

Year 9 - 13 Prize Giving

The Collingwood Area School Prize Giving 2025 was a rousing success, marked by enthusiastic celebrations of student achievement. A huge congratulations to our Dux, Cooper Ricketts, whose award was thoroughly well-deserved. Well done also to all other achievers, especially the trophy winners, for their great successes.

The spirit of the students shone through as they positively and enthusiastically sang waiata and performed a powerful haka in honor of the Dux. We extend our sincere gratitude to our generous sponsors whose contributions made the prizes possible. I'd also like to thank our supportive colleagues for their willingness to help and our parents and members of our precious community.

Special acknowledgement goes to the dedicated team behind the scenes: Kate for printing the certificates; Kaye for expertly managing money allocations and fixing the stage curtain; Tui for her wonderful flower arrangements and smooth handling of the Honour's Book; and particularly to Diane for her meticulous work writing the honour's book entries, her absolute confidentiality, and above all, her 'eagle eyes' in spotting any hiccups and mishaps, ensuring the night ran flawlessly.

This annual event, celebrating our students' successes and commitment, is definitely the crowning glory and conclusion to the years' work and play.

Ngā mihi

Year 9 Heaphy Track Trip

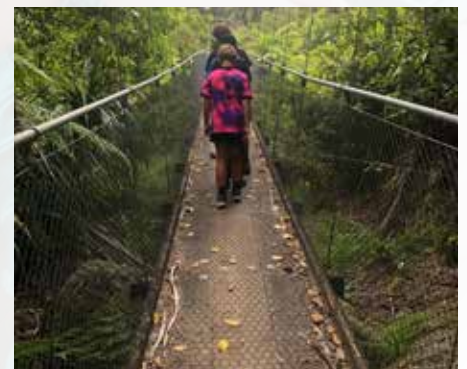

On Tuesday the 25th of November the Year 9 class accompanied by Miriam, Mike and Tui left school to walk the Heaphy. Flying down it was a mix of nerves and excitement by both the students and teachers.

Day one the weather was just what we wanted, a sunny day that wasn't too hot. We arrived at the track just after 2pm and after a quick snack and loading up on bug spray we set off. We walked for around 5 hours which felt like days along the beach with nikau palms towering above us. Finally, we arrived at Heaphy Hut. Taking off our boots and pack is a feeling which can't be replicated. We were all tired so after settling in and cooking our dinner of pad thai, we got some sleep.

In the morning after we had crawled out of bed, breakfast varied from oats to noodles. The second day was overcast and showers of rain, we were unsure if we could continue but after some reassurance from the hut ranger we set off around 8am. The track took us along the Heaphy River and then gradually higher and deeper into the bush.

After walking for a couple hours we stopped at Lewis Hut for a lunch of cheese and salami wraps. After a short downpour of rain we left Lewis Hut for our destination for the day, James Mackay Hut. After more up and down through the bush we arrived at the hut at 4.30pm.

Everyone was pleased to see the fire going so we hung up our wet clothes. Dinner was Butter Chicken which we were all excited for but after eating it we realized it wasn't quite what we expected. Some cards and talking with each other kept us entertained until lights out

around 8.30pm.

The next morning was an early start as we left the hut at 7am to start walking to Perry Saddle. Early through the walk in the yellow tussocks we realized it would be a wet day. Luckily it didn't rain much until just before Saxton Hut where we all got soaked. After a long break to dry off and a rest we left for Goulund Downs Hut.

This part was definitely the wettest of the whole walk. There were around four major stream crossings but none of them could stop us as we powered on to Goulund Downs. When we arrived we were pleased to see the fire was lit. After hanging our clothes we had hummus, salami, and cheese wraps for lunch, then we were quickly on our feet again for the last stretch before Perry Saddle.

Walking through more tussocks and light bush and rain finally brought us to Perry Saddle around 4pm. We were all tired as by now we had been walking for three days. Dinner was a morale booster as it was a cheesy, bacon mac and cheese.

An early night for us as we had to get up at 5:30am, have breakfast, pack our bags, clean up and leave by 7am. We were all excited to get back to school, so we didn't have any long breaks. We quickly made it to the Aorere Shelter which was the first place to have service on the walk. After a quick break there we set off.

Just before Browns Hut it was a relief to see Pete, Kate and Quin waiting to greet us. Finishing the walk was a great feeling, but we were more excited to just get back home.

The trip lasted four days and we walked a total of 78km, overall it was an amazing experience where we made some even better memories.

Leroy Steel

Pakawau to Kaihoka Lake

On the 2nd of December Pakawau went to Kaihoka lakes.

We did paddle boarding, kayaking and a bush walk. We also had a free swim and ran across the paddle boards.

Then we went back to school. We were so tired. The best thing was the relays because Payton put her paddle under Michael's kayak and he fell out.

By Payton, Olivia and Marnie

Waikato Adventure Week

On Monday 3rd December, Waikato visited Farewell Spit for Adventure Week. We learnt about new bird life at Cape Farewell, explored the whale burial site, and enjoyed spotting seals and fossils at Fossil Point. We also had fun on the sand dunes and celebrated Mrs Staniford's birthday with cheesecake.

A huge thank you to the Gillooly family (Michael, Jackson and Paddy) for taking us out and teaching us all about this unique and special area and to Mrs Staniford for coming along with us.

On Thursday 4th December, we trotted off to Hack n Stay for a fun morning of horse riding and spent time with Kris's ponies, Forester and Elmo. We split into two groups: one explored the farm track with Baerbel, spotting cheeky monkeys and hidden fairies in the trees, while the other learned how to vault, brush, and lead the ponies in the arena with Kris and her students. After riding, we headed to the beach for lunch and an ice block, then finished the day with a game of touch and a paddle in the water.

Thank you to the team at Hack n Stay and the parents who came to help, especially Briar for the ice blocks. And finally, to end the week, we loaded up the vehicles and headed out to the Closs's Farm at Te Hapu. Izzie and her dad, Alex, took us on a walk up "The Knob", through the farm, and across to Gilbert's Beach. Once we arrived, we set up a fire and cooked sausages for lunch and enjoyed a refreshing swim in the little pond nearby.

A massive thank you to the parents and grandparents who came on the trips with us this week, we could not have done it without you as well as the fundraising efforts so that the trip could happen.

Soft Tech

Year 8: This class spent half a rotation cooking and the other half sewing . They made hot water bottle covers with their own choice of appliquéd design.

Planting Project!

Collingwood Area School would like to sincerely thank the Golden Bay Community Trust for their very generous donation of \$500 towards our school planting project. Thank you GBCT!

Primary Prize Giving

Year 1 - 8 Celebration and Prize Giving

Date: Wednesday, 10th December

Time: Starting at 1:00 pm

Location: CAS School Hall

As the school year draws to a close, we are incredibly proud of the effort, resilience, and success demonstrated by every one of our students. We look forward to gathering with you to formally acknowledge their accomplishments and bring this memorable year to a joyful conclusion.

School will close for the year at 12 pm on Thursday 11th December.

Ngā mihi

The CAS Team

Mini-TOSI Thanks!

We would like to extend our sincere thanks to the following individuals and groups for their generous support and contributions over our Mini-TOSI event:

Host Families: Thank you for providing accommodation (billets) for our guests.

Catering & Food: Hannah Jeans, Ben, Bailey, and Briar: For your time and effort in preparing the food.

Bidfoods: For your generous product donation.

Lawn Bowls: Pam and Donald Gardiner: For teaching the fundamentals of bowls and running the activity on the night.

Cooking Challenge: Renae Swan and Kath Lockwood: For serving as judges for the cooking challenge.

Equipment Loan: Campbell and Mel: For the loan of their spit roast machine.

Donations: Shawn and Sam: For the donation of meat.

Sports Officials: Kaye, Tanie, and Nat: For umpiring the netball competition.

Senior Students: A special thank you to all our senior students who helped by umpiring or running the various events. You did an awesome job!
